

Reduce Costs

This cost comparison is based on 2014 Cost of Attendance figures required annually by the Department of Education. This chart reflects the costs for a two-year Associate's Degree versus a four-year Bachelor's Degree. The tuition and fees are based on a WV resident, not living with parents.

The median salary data in this publication is supplied by Economic Modeling Specialists International historic labor market information, which is compiled from 90+ data sources, and updated quarterly to ensure the most precise regional figures. Median salary figures represent all careers postings in BridgeValley service region.

Computer Maintenance & Networking

The Computer Maintenance and Networking Certificate provides a fast-track one-year program that allows students to quickly gain the skills necessary to enter the information technology job market. The program provides entry-level coverage of computer hardware, operating systems, networking, programming, security fundamentals, standard computer applications and customer service skills.

Potential Careers & Salaries

Completion of the program prepares students to sit for the Comp TIAA+ and the Cisco Certified Entry Network Technician (CCENT) certification exams. Job titles may include:

Description	Median Salary/Hour
Computer User Support Specialists	\$17.22
Computer Network Support Specialists	\$20.19
Computer Operators	\$18.27

BridgeValley Community and Technical College is an equal opportunity/affirmative action institution and does not discriminate against any person because of race, gender, age, color, religion, disability, national or ethnic origin.
