

# Reduce Costs

This cost comparison is based on 2014 Cost of Attendance figures required annually by the Department of Education. This chart reflects the costs for a two-year Associate's Degree versus a four-year Bachelor's Degree. The tuition and fees are based on a WV resident, not living with parents.

The median salary data in this publication is supplied by Economic Modeling Specialists International historic labor market information, which is compiled from 90+ data sources, and updated quarterly to ensure the most precise regional figures. Median salary figures represent all careers postings in BridgeValley service region.

# Computer Science Technology

The Computer Science Technology Associate Degree prepares entry-level computer programmers to create or maintain program systems for business, industry, health care, education and government service.

If you are planning a career as a computer professional, prospects are endless! Almost every company, no matter how big or small, employs computer specialists and our program prepares you for these opportunities.

## Potential Careers & Salaries

The curriculum is designed to train both first-time job seekers as well as those currently employed in the field who want to upgrade their knowledge and skills. Graduates should be able to transfer their knowledge of computer systems and languages to different systems as technological changes occur. Job titles may include:

Description	Median Salary/Hour
Computer User Support Specialists	\$17.22
Web Developers	\$19.26
Computer Network Support Specialists	\$20.19
Computer Operators	\$18.27
Computer User Support Specialists	\$17.22
