Name: _____
Last First Middle Initial

Phone: _____ Email: _____ @my.bridgevalley.edu

Community service is an important component and expectation of the educational experience at BridgeValley. Students are required to complete and document a minimum of 15 hours of community service prior to earning an associate degree. **Hours should be submitted within the semester in which they were completed. Hours earned during the Summer should be submitted by the end of the first week of the Fall semester.**

Community service is defined as “Action taken to meet the needs of others and to better the community as a whole” (Campus Compact, 1998). To qualify as a service, the student may not be paid or compensated in any way, nor may the student use any activity required within a course or program of study. The activity must be sponsored by the college, an agency, or an organization.

- **School Organized Opportunities** (e.g. tutoring at the Student Success Center or participating in college-sponsored events such as Alternative Spring Break, American Red Cross blood drives, Family Fun Night, LEGOS Competition, MLK Jr. Day of Service, and Pumpkin Drop)
- **Non-School Organized Opportunities** (e.g. volunteering at hospitals, animal shelters, childcare facilities, or other educational or non-profit agencies)

Date of Service: _____

Name of sponsoring agency and/or event: _____

Location: _____

Service Coordinator/Agency Contact Name: _____
