

**ARTICULATION AGREEMENT
BETWEEN MARSHALL UNIVERSITY AND
BRIDGEVALLEY COMMUNITY AND TECHNICAL COLLEGE**

BRIDGEVALLEY COMMUNITY AND TECHNICAL COLLEGE PROGRAM AAS IN
BUSINESS ADMINISTRATION; LEADING TO ANY OF THE FOLLOWING PROGRAMS
AT MARSHALL UNIVERSITY:

BBA IN AVIATION MANAGEMENT, ECONOMICS, ENTREPRENEURSHIP, HEALTH
CARE MANAGEMENT, MANAGEMENT, MANAGEMENT INFORMATION SYSTEMS,
MARKETING, SPORTS BUSINESS, OR SUSTAINABILITY MANAGEMENT AND
TECHNOLOGY OR BA IN GENERAL BUSINESS

Marshall University (Marshall) and BridgeValley Community and Technical College (BridgeValley), in order to facilitate the efficient transfer of students between the two institutions, hereby establish this articulated program of study (Pathway Program) leading to the baccalaureate degree in Aviation Management, Economics, Entrepreneurship, General Business, Health Care Management, Management, Management Information Systems, Marketing, Sports Business, or Sustainability Management and Technology to be granted by Marshall University. The articulation agreement (Agreement) stipulates a course of study provided by BridgeValley and accepted by the Lewis College of Business at Marshall University to count towards degree completion.

Both institutions have approved the courses listed in this articulation agreement as fulfilling necessary and sufficient course requirements for the respective degrees.

BridgeValley will assist students by providing academic advising that will counsel students to enroll in general education and other prerequisite courses that will prepare students to complete the Bachelor Business Administration (BBA) degree or BA in General Business degree at Marshall. Course substitutions may be available upon the approval of the appropriate Marshall department chair and academic dean.

I. Admission to Marshall University BBA and BA Programs

At the beginning of the last semester of study for the AAS degree at BridgeValley, participating students will apply for admission to Marshall and must meet all admission requirements before acceptance and matriculation. Upon admission, Marshall will accept all college-level courses completed at BridgeValley as outlined in this document. Those courses completed at BridgeValley will be accepted as partial completion of the BBA degree or BA in General Business degree. Admitted students will then be advised by the Advising Center at the Lewis College of Business regarding all matters related to degree completion.

Students who do not complete the sequence of courses outlined in the plan of study may require additional time and expense to complete the degree at Marshall.

Students pursuing the BBA degree or BA in General Business degree through this Agreement will be bound by the curriculum requirements in effect at the time they are officially accepted to the program.

II. Student Support

Both institutions will encourage students working toward the Associate and BBA or BA degrees to meet with academic advisors to ensure that previous, current, and future courses will lead to timely completion of the degree. This advising work will represent a collaborative effort by representatives from both schools. Each institution will identify faculty, staff, or both who will be the preferred contact for information about the degree option. BridgeValley will allow Marshall to market its programs to BridgeValley students.

III. Collaborative Review of Program and Academic Programming

Marshall and BridgeValley agree to monitor and support the provisions of this Agreement to ensure program consistency quality, and transferability for the benefit of the students of both institutions. Marshall and BridgeValley agree to renegotiate this Agreement as necessary due to changes in the curriculum or graduation requirements implemented by either institution. This process will be the responsibility of the chief academic officer at both institutions.

This Agreement supplements all currently existing agreements which will continue to serve as specialized links between the two institutions.

Marshall or BridgeValley may terminate this Agreement with notice. Should the Agreement be terminated, students currently enrolled in the Program will be allowed to complete the Program following the plan of study presented herein.

The terms of this agreement are hereby approved by the respective administration of the two schools.
