Health Science Internships
$14/hour for 20 hours a week
Right at Home delivers in-home care ranging from a little extra help around the house to assisting in the recovery from a hospital stay. Whether a client needs companionship and help with light housekeeping in order to maintain an independent life or full-time support with basic health and activities of daily living, Right at Home’s in-home care providers can meet the needs of our community with a variety of services. Caretakers are specially trained to provide just the services each patient needs.

BridgeValley is partnering with Right at Home WV to create a cooperative learning opportunity where students gain real-world experience while earning a great wage to help with education costs.

**About the Program**

- Earn $14/ hour for 20 hours a week to assist with education costs to reduce the need for loans
- Students need a Certified Nursing Assistant (C.N.A.) licensure to be eligible for the internship.
- BridgeValley’s Workforce and Economic Development Division offers this six-week certification periodically at both the Montgomery and South Charleston campuses.
- Students must have their own transportation and pass a drug screening and background check to be eligible for this opportunity.

**How to Apply**

1. To apply for the Right at Home internship visit [http://www.bridgevalley.edu/right-home](http://www.bridgevalley.edu/right-home).
2. Completing the online form is the first step to gaining valuable experience in a great internship.
3. Next, BridgeValley will schedule applicants to take C.N.A. licensure course if necessary.
4. All applicants will need to complete the Right at Home online application by visiting: [www.rightathome.net/charleston-west-virginia/jobs/cna/](http://www.rightathome.net/charleston-west-virginia/jobs/cna/)
5. Those applicants with the necessary licensure will interview for final selection with a Right at Home Human Resources representative.
6. Applicants must be able to pass a basic background and drug screening.
