

Reduce Costs

This cost comparison is based on 2014 Cost of Attendance figures required annually by the Department of Education. This chart reflects the costs for a two-year Associate's Degree versus a four-year Bachelor's Degree. The tuition and fees are based on a WV resident, not living with parents.

The median salary data in this publication is supplied by Economic Modeling Specialists International historic labor market information, which is compiled from 90+ data sources, and updated quarterly to ensure the most precise regional figures. Median salary figures represent all careers postings in BridgeValley service region.

**Drafting & Design
Engineering
Technology**

The Drafting and Design Engineering Technology Associate Degree program combines computer-aided drafting (CAD) with technical knowledge that allows the graduate to be employed in nearly any drafting and/or design position.

Due to the diverse nature of the program, graduates have opportunities to work in mechanical, civil, construction, architectural, mining, and electrical related industries.

Potential Careers & Salaries

This program also makes it possible for graduates to more easily advance into a supervisory position in the drafting and design field. The program is accredited by the Engineering Technology Accreditation Commission of ABET, Inc. Job titles may include:

Description	Median Salary/Hour
Architectural and Civil Drafters	\$22.30
Electrical and Electronics Drafters	\$25.45
Mechanical Drafters	\$20.02
