

Reduce Costs

This cost comparison is based on 2014 Cost of Attendance figures required annually by the Department of Education. This chart reflects the costs for a two-year Associate's Degree versus a four-year Bachelor's Degree. The tuition and fees are based on a WV resident, not living with parents.

The median salary data in this publication is supplied by Economic Modeling Specialists International historic labor market information, which is compiled from 90+ data sources, and updated quarterly to ensure the most precise regional figures. Median salary figures represent all careers postings in BridgeValley service region.

Mechanical Engineering Technology

The Associate in Science Degree in Mechanical Engineering Technology (ASMET) is a two-year program that applies established scientific and engineering knowledge and methods to the field of machines and manufacturing. This program is ideally suited to the person who is capable of understanding theoretical principles, but prefers to get involved with mechanical systems and processes.

The AS Mechanical Engineering Technology program is accredited by the Engineering Technology Accreditation Commission of ABET.

Potential Careers & Salaries

The program prepares graduates with knowledge, problem solving ability, and hands-on skills for the development and maintenance of mechanical systems. The program is accredited by the Engineering Technology Accreditation Commission of ABET.

Job titles may include:

| Description | Median Salary/Hour |
|--|--------------------|
| First-Line Supervisors of Mechanics, Installers, and Repairers | \$23.42 |
| Industrial Engineering Technicians | \$22.94 |
| Industrial Machinery Mechanics | \$21.20 |
| Maintenance Workers, Machinery | \$19.81 |
| Mechanical Engineering Technicians | \$23.00 |

BridgeValley Community and Technical College is an equal opportunity/affirmative action institution and does not discriminate against any person because of race, gender, age, color, religion, disability, national or ethnic origin.
