

Medical Coding and Billing Certificate

Graduates may work with:

- Hospitals
- Physician Offices
- Surgery Centers
- Nursing Homes
- Dental Offices
- Home Healthcare Agencies
- Mental Health Facilities
- Insurance Companies

Medical Coding and Billing is a self-paced, online certificate program designed to prepare students for employment as medical insurance specialist or as a medical coder in physician's offices, hospital billing offices, outpatient departments and insurance companies.

This program is an AHIMA approved coding curriculum that prepares students to sit for the AHIMA Certified Coding Specialist (CSS®) Certification. Students are also eligible to sit for the AAPC Certified Professional Coder (CPC) certification

Cost: \$2,999

This program is offered online learning and consists of computer-based interactive studies. This alternative to the traditional classroom offers flexibility and economic value to students, especially those balancing education with a family and career.

BridgeValley also offers another course, "Medical Coding and Billing with Applied PCS" for \$3,499. This expanded course features additional in-patient coding practice, meeting the requirements for hospital coding.

***This class is approved for 3 hours of college credit.
(A posting fee of \$25 per credit course applies)***

Financial aid available for those who qualify.
