Retirement Planning Today®

An Educational Course for Adults – Ages 50 to 70

By attending Retirement Planning Today®, you learn about the many ways to save for retirement, as well as the advantages and disadvantages of each. You will discover how to save money on taxes, manage investment risks, and protect your assets from potential long-term health care expenses. Above all, this course shows you how to assess your financial situation and develop a personalized plan to achieve your retirement goals.

Retirement Planning Today® contains something for everyone. We address financial issues that pertain to the self-employed, as well as employees of corporations and government agencies. The course is designed to teach you how to build wealth and align your money with your values in order to accomplish your goals in life.
