

Want to partner?

Name and Email Address:

Maggie McCabe, COC, CPC, CPC-I, CPC-P, CPB, PAHM; maggie.mccabe@bridgevalley.edu

Institution: BridgeValley Community and Technical College

Discipline: Medical Coding

Course/Courses you seek to Partner: MEDC150 Insurance Billing or MEDC 101 Medical Terminology or MEDC 201 Diagnostic Medical Coding

Semester you hope to offer a COIL Course: Fall 2019 or Spring 2020

Likely Class Size: 15-20

Discipline or country with whom you may prefer to partner: business side of health care in billing or coding. Canada, England, Ireland

Motivation for COIL: The diagnostic code International Classification of Disease is to be used worldwide. I would like my students to be able to interact with other countries to learn about universal health care and the business management processes such as insurance billing.

In my spare time I love to watch nature on the mountain in which I live. I have two cats and two dogs to keep me entertained. I also enjoy time with my son and his family> I have three beautiful grandchildren with one on the way! I also enjoy knitting and reading.
