### DIRECT ARTICULATION AGREEMENT BETWEEN THE UNIVERSITY OF CHARLESTON CYBER SECURITY PROGRAM and BRIDGEVALLEY COMMUNITY AND TECHNICAL COLLEGE CYBER SECURITY PROGRAM

### I. PURPOSE

This Agreement between The University of Charleston ("UC") and BridgeValley Community and Technical College ("BVCTC") establishes a mechanism for students of BVCTC to complete the requirements for the baccalaureate degree in programs existing at the University of Charleston. This articulation agreement allows direct transfer for BVCTC students possessing either an A.A., A.S., or A.A.S. degree. Additional transfer credits outside of the specific program may also be considered. **NOTE:** The program-specific articulation schedule for Cyber Security Program, signed by both parties, will be attached and made part of this Agreement as BVCTC students apply for admission to UC programs.

### II. REVISIONS TO AGREEMENT

Amendments and/or revisions to the Agreement may be made in writing at any time by mutual consent of both parties. Such amendments and/or revisions signed by authorized representatives of both parties shall be prepared in the form of an Addendum to the Agreement. The parties shall work cooperatively to review, at least annually, and to update each year as appropriate, specific items or procedures included in this Agreement. All changes made to this agreement will become effective on July 1st following the date of the Addendum, unless specified otherwise.

### III. TERM AND APPLICABLE LAW

This agreement shall be effective upon execution and shall continue until terminated by either party upon thirty (30) days' notice, with or without cause. However, students who are currently enrolled in a 2+2 program at the time that it is terminated shall be entitled to finish their program at UC under the terms of the agreement that existed prior to the date of the agreement's termination. The agreement shall be construed in accordance with the laws of the State of West Virginia.
