

ARTICULATION AGREEMENT
BETWEEN
BRIDGEVALLEY COMMUNITY AND TECHNICAL COLLEGE
and
WEST VIRGINIA STATE UNIVERSITY

This agreement is to articulate the Two Plus Two Programs—AAS in Accounting, Finance, Healthcare Management, Management and Marketing transferring to the Bachelors of Applied Science in Accounting, Finance, Management and Marketing.

This Articulation Agreement is entered into by and between BridgeValley Community and Technical College (hereafter referred to as BridgeValley) and West Virginia State University (hereafter referred to as WVSU).

WHEREAS, the parties desire to promote the most efficient and effective use of their resources and to offer students the broadest possible range of educational opportunities, and

WHEREAS, the parties desire to encourage and facilitate the establishment of specific articulation provisions between institutions, and

WHEREAS, the parties intend to promote the two plus two concept of student's education experiences including a seamless transition from associate degree programs to baccalaureate degree programs to encourage the recognition of prior education efforts and students recognition of the importance of continuing their educations, and

WHEREAS, the intent of this agreement is to facilitate the transfer of associate degree students from BridgeValley to WVSU. The two plus two programs will provide students who achieve an Associate of Applied Science in Accounting, Finance, Healthcare Management, Management or Marketing a process to transition into the Bachelors of Applied Science program in Accounting, Finance, Management and Marketing at WVSU.

NOW, THEREFORE, the parties agree to cooperate in articulating programs in accordance with the terms set forth herein.

This agreement commits WVSU to accept credits earned at BridgeValley as delineated in the suggested sequence of courses that are a part of this agreement. Upon satisfactory completion of the AAS Degree in Accounting, Management, Finance, Healthcare Management and Marketing, as well as fulfillment of the WVSU admission and course placement requirements, students may transfer into the BAS program at WVSU.

Through this agreement, students are assured of acceptance of appropriate prior college courses and are offered a plan for completing a baccalaureate degree as efficiently as possible.

This articulation agreement shall remain in effect until terminated by either party by giving at least (365) days prior written notice of termination to the other party.

The parties to this agreement shall review the relationship every two years to assess its effectiveness and usefulness.

The parties to this agreement shall inform the other party promptly if the curricular requirements of the relevant programs change.

Both institutions will designate a contact person on their respective campuses to represent their interest and to carry out the program mutually agreed upon. These representatives will meet or otherwise communicate as needed to evaluate the program and propose changes.

Any minor changes, (course number, name, or designation), that are brought through the Academic Policy Committee or Education Policy Committee will not require review and reauthorization of this agreement only updates to the respective addendum. Major changes to program curricula or course content changes will require notification to the impacted program leaders.

Any written notice under this agreement shall be addressed as follows:

Provost and Vice President of Academic Affairs
West Virginia State University
PO Box 1000
Institute, WV 25112-1000

Vice President of Academic Affairs
