

Sonography, Associate in Applied Science

Program changes to be announced

The sonography programs are limited enrollment with selected admission based on application scores

All persons seeking admission an A.A.S. Degree Program for Sonography:

All persons seeking admission an A.A.S. Degree Program for Sonography:

- Must be fully admitted to BridgeValley Community and Technical College. This includes the submission of ACT or SAT scores, official high school transcripts or GED/TASC score reports and official transcripts from all previous colleges attended.
- Must complete sonography pre-requisite courses with a 2.75 GPA or higher prior to beginning a sonography program.
- Must complete a sonography program application with required supporting documentation. The application is located on the BridgeValley Community and Technical College website when it is available. The application must be submitted prior to the deadline noted on the website. See schedule on website.
- Must have documentation of TEAS score (minimum composite score of 50 to apply)

Application Scoring:

Applicant scoring is based on the following criteria:

- Pre-requisite GPA (minimum 2.75)
- Grades in the core sonography cores: A&P I, A&P II. Physics, and Introduction to Sonography (A=3, B=2, C=1)
- Allied health certification: RT, RN, etc.
- Patient care experience
- Educational degrees
- Veteran status
- TEAS score (minimum 50)
- All pre-requisite courses are completed
- Repeat applicant

NOTE: The students with the highest total application scores will be admitted into the programs first.
