BridgeValley Offers Online Degree in Healthcare Management

South Charleston, WV – BridgeValley Community and Technical College is proud to announce the recent launch of the Healthcare Management, A.A.S. program available completely online.

The healthcare field is growing and undergoing significant change. Technology within healthcare has exploded in the last 10 years, and the industry is in need of leaders. The areas of growth in the industry include: health management organizations, home health agencies, physician practices, care centers, insurance agencies, the Department of Health and Human Resources, and many more.

The graduates of this program will be prepared to assist in the management of resources and finance. This program can be taken as a 100% online degree with your instructors in town and on campus to guide you. The college is currently working to provide 2+2 agreements with area universities to allow students to easily progress from a two-year degree to a four-year degree.

BridgeValley Community and Technical College was founded on March 20, 2014 and serves a six-county region including Fayette, Raleigh, Nicholas, Clay, Putnam and Kanawha counties. The college operates two campuses in Montgomery and South Charleston, along with the addition of the new Advanced Technology Center. BridgeValley awards one-year certificates and two-year associate degrees in many fields including civil, mechanical and electrical engineering technology, business and health management, nursing, dental hygiene, business technology, medical assisting, diesel technology, computer information technology, and welding.
