

# Tutor Rewards Program 2023-2024

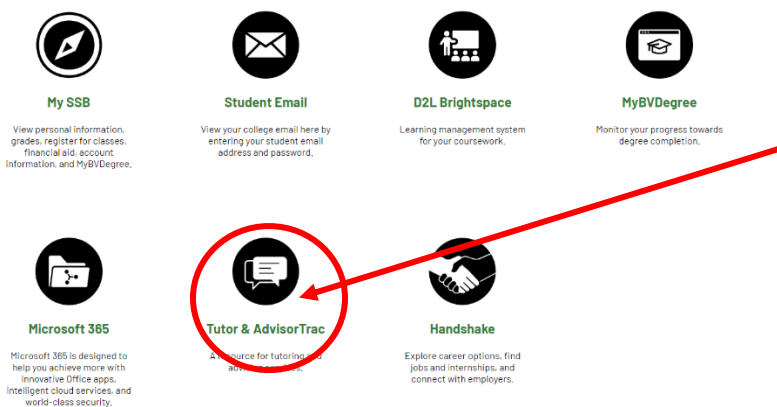

## Description:

Students are incentivized to participate in tutoring services by way of the tutor rewards program. Visit records are tracked by sign-ins to the Student Success Center—**students must always indicate that the visit reason is for “tutoring” and the “consultant” information is completed when signing in—OR** online via **Brainfuse**. Students who participate in at least 10 tutoring sessions per month (2 to 3 sessions per week) will be entered into a monthly drawing for prizes!

## How to check your number of tutoring sessions completed:

To check your status on eligibility to be entered into the drawing, you can visit the Tutor & AdvisorTrac which is linked on the MyBridge page:

Next, you should see an option that says, “Center Visits.” Make sure the view is for “This month” and then filter by Center to say, “Student Success Center” (for South Charleston and/or Montgomery).

Please be sure that in the Center/Reason column the visit indicates your reason was for **tutoring** or the visit will NOT count in the drawing. These records are based on your sign-in history for the SSC.

## Rewards:

There will be a drawing once a month for the months of September, October, and November. Winners will be notified by email and/or phone if they are selected.

Good Luck!

Center / Reason	Subject Course Consultant	Time In / Duration
Student Success Center-South Charleston Tutoring	BIOL201 Human Anatomy and Physiology I	Jun 20, 255p 1h 30m
Student Success Center-South Charleston Tutoring	BIOL201 Human Anatomy and Physiology I	Jun 08, 310p 1h 30m
Student Success Center-South Charleston Tutoring	BIOL201 Human Anatomy and Physiology I	Jun 01, 304p 1h 30m

\*If students wish to attend 10 sessions per month online via Brainfuse, they must keep their own record of how many sessions attended or email Tutoring Coordinator for their status.
